

Zaltimbanq'Zirkus: 10 commandments to avoid the coronavirus

1. SANITIZATION

You will wash your hands regularly with hydro-alcoholic gel. You will find everything you need for this throughout the building. If you have any allergies, your teacher will point out anything you need to know.

2. PROTECTION

You will cough or sneeze into the crease of your elbow or into a handkerchief which you will then throw into bin with a lid.

3. ACCESSIBILITY

Dear parent or visitor, since access to our building will be limited, you will need to wait in the garden. And for those that are 6 years or older, you will need to wear a mask. Thanks for not handing around for too long as we are trying to avoid gatherings of too many people.

4. INFORMATIONS

If you have any questions, you can get in touch with the secretariat via phone or email.

Phone number: +352 621 479 904
Email: office@zaltimbanq.lu

5. Arrival & Departure

You will see two separate designated walking areas and you will have to wait for the previous group to have left. We ask you to be punctual 😊

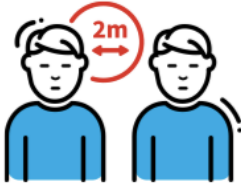

6. ADEQUATE CLOTHING

Zaltimbanq will make sure that the restrooms and the gyms are sanitized regularly. However, the changing rooms will remain closed. So, you will need to arrive wearing adequate clothes.

7. DISTANCING

During the classes, neither social distancing nor masks will be required regardless of the number of students (as recommended by the Ministry of Health on 10.08.20). However, it is important to note that number of students will be limited and the supervising teachers will wear a mask whenever a 2-meter distance cannot be kept.

8. CLEANING

All rooms will be aerated after every class and, with the help of your teacher, you will sanitize the material that you used. You will not be able to share any personal items (water bottles,...) or equipment with your classmates.

9. SYMPTOMS

If you have any symptoms (fever, cough,...) or if someone close to you has symptoms, you will need to stay at home and alert your doctor and your Zaltimbanq teacher. From our end, your teacher will have your contact details and they will be in touch if need be.

10. And finally ... we will welcome you with a lot laughter and fun. 😊
